

DocuWare Cloud

Regional mapping of countries to Microsoft Azure data centers

July 2022

DocuWare Cloud uses Microsoft Azure data centers

The operation of DocuWare Cloud customer systems is subject to the applicable regional data protection laws. Customer data is hosted in Microsoft Azure data centers in the following regions: EU, US, Japan, and Australia.

The data centers are referred to by the names Microsoft Azure uses for them. For example, "North Europe, Ireland" means that the data center named "North Europe" is located in Ireland.
