Privacy Policy for
Textbox - Textfield by Textify

Inspon Tech (Pvt.) Limited ("we", "our" or "us") is committed to protecting the privacy and security of your personal information.

This Privacy Policy explains how we collect, use, disclose, and protect the personal information of users of the Textbox - Textfield by Textify App („App").

1. **Information We Collect**

We do not collect any personal information entered into the Textbox or textfield by users of the App. We only use the Line Item Properties feature of Shopify to allow the information entered by customers to be carried over to the order details for the store owner. Additionally, we do not store any personal information of the store owner beyond what is provided to us by Shopify. Please note that we only have access to the personal information of the store owner that is provided to us by Shopify, and we refer you to Shopify's Privacy Policy for information on their data practices.

2. **Use of Information**

We do not use the personal information entered into the textbox or textfield by users of the App for any purpose other than to allow the information to be carried over to the order details for the store owner.

3. **Disclosure of Information**

We do not disclose the personal information entered into the textbox or textfield by users of the App to any third parties. Additionally, we do not disclose any personal information of the store owner beyond what is provided to us by Shopify.

4. **Data Retention**

We do not retain any personal information entered into the textbox or textfield by users of the App.

5. **Data Security**

We take reasonable measures to protect the personal information entered into the textbox or textfield by users of the App from loss, theft, unauthorized access, disclosure, alteration, and destruction.

6. **Changes to Privacy Policy**

We reserve the right to modify this Privacy Policy at any time. The most current version of the Privacy Policy will always be available on our App.

7. **Contact Us**
