

# QR Username QUICK START

One easy way to access your RapidIdentity account is by using your assigned QR code to log in. The QR Login generates a QR code and eliminates the need for the username.

## Go to the RapidIdentity login page

01

The district will provide the link to the login page. Each login page is customized for the educational organization. Select "Scan QR Code" to begin the login process.

## Scan your QR code

02

Using a mobile device or the camera on your computer, scan your assigned QR code. Select the front or the back camera from the drop down.

## Enter your password

03

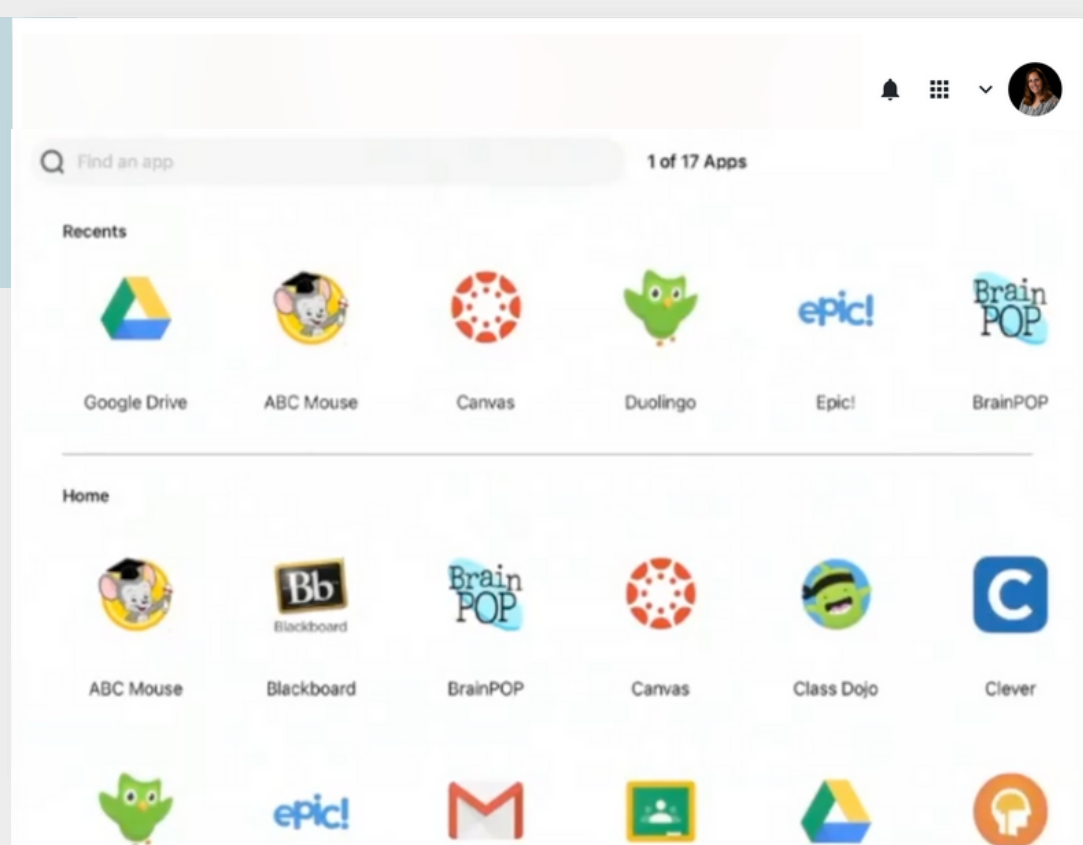

The screenshot shows a login interface with the following elements:

- Header: "Login" on the left and "Need help?" on the right.
- Input field: A text box labeled "Password" with a toggle eye icon on the right.
- Action button: A dark blue button labeled "Go" with a right-pointing chevron.
- Reset button: A light blue button labeled "Start Over" below the "Go" button.

Enter your password and select "Go" to proceed to your RapidIdentity portal.

## You're done!

04

You are logged into your RapidIdentity portal.
