

Driver App Update 2023

This document is proprietary and confidential. No part of this document may be disclosed in any manner to a third party without the prior written consent of Bringg Delivery Technologies Ltd.

Why Update?

- 1. Intuitively informative inventory display, empower drivers with contextualized information.
- 2. Streamlined action buttons; minimize clicks for seamless user interaction.
- 3. Alignment between iOS and Android.
- 4. Estimated release mid-August.
- 5. Forced rollout estimated mid-October.

Inventory Display

Summary of key inventory details:

- Higher resolution of inventory quantities
- Pricing at-a-glance
