

THE WEEKLY CATCH

The Hatchery Roadshow

Coast to Coast, Shop to Shop

Team Steelhead is looking to make some tracks by traveling across the continent, meeting with job shop owners, managers, operators and administrators. If you would like to request a stop, or even lunch for your hard working team, contact sales@gosteelhead.com.

EVENTS REVIEW

Women In Finishing Forum

Monday, April 15 - Wednesday, April 17

This year seven of our team members attended the Women In Finishing Forum hosted by CCAI in Orlando, FL. Here are a few highlights:

Our very own Chantel Soumis, Head of Marketing, presented on creativity and neuroplasticity!

We enjoyed the tour the Regal Boats production facility and seeing how their digital system optimizes their production.

Networking and gaining perspectives from various positions across the industry helped us to further immerse ourselves into the needs and wishes of the job shops across the continent.

American Coatings Show

Tuesday, April 30 - Thursday, May 2

We are excited to exhibit at the Indianapolis Convention Center and have the opportunity to meet face-to-face with the Coatings Industry.

Steelhead will be located at Booth #130. Let us know if you plan to attend!

INTRODUCTIONS

Welcoming our newest team members!

Our team has been growing to continue to provide a premium experience for all Steelhead users. Meet our new Onboarding Manager, Rosalie, FedRAMP Manager, Dave, Customer Success Specialist, Lydia, and Account Executive, Brent.

Steelhead in the Wild!

Racks on racks, specs on specs, containers on containers, Steelhead on Steelhead. The world is complex. Simple joys keep the grind in balance. Nice Steelhead, Lars!
