## **Visit the Steelhead Team at FABTECH 2022!**

Steelhead Technologies will be at [FABTECH 2022](#) in Atlanta, GA on November 8th-10th! FABTECH is North America's largest metal forming, fabricating, welding and finishing event.

FABTECH provides a convenient 'one-stop shop' venue where you can meet with world-class suppliers, see the latest industry products and developments, and find the tools to improve productivity, increase profits and discover new solutions to all of your metal forming, fabricating, welding and finishing needs (from [fabtechexpo.com](http://fabtechexpo.com)).

Dean Halonen (Head of Sales), Chet Halonen (Deployment Engineer) and Stacy McKinley (Deployment Specialist) will be representing Steelhead at booth B5002 next week. If you're attending, stop by and say hello!

## Customer Success Resources - Now in the Steelhead App!

The Customer Success Portal is live in the Steelhead App! Visit the customer success portal to quickly create support tickets, provide information to your deployment lead and track deployment progress, view customer documentation, and redirect to the Steelhead website.

In the Steelhead app, you can find the Customer Success Portal right on the home screen (see below). As we continue to build additional customer success resources, they will also be found in this page.

Next time you have a question or need help with a technical issue, head to the Customer Success page to find the right tool for the job.
