

## Payroll Now Available in Steelhead!

Streamline your payroll process! Steelhead Payroll is an all-in-one Timesheets and Payroll solution allowing you to move all your payroll operations over to a single platform. With employees already tracking their time within the app, Steelhead makes doing payroll extremely simple. You can:

- Pay hourly and salaried employees
- Save time on admin
- Eliminate unnecessary external platforms and applications

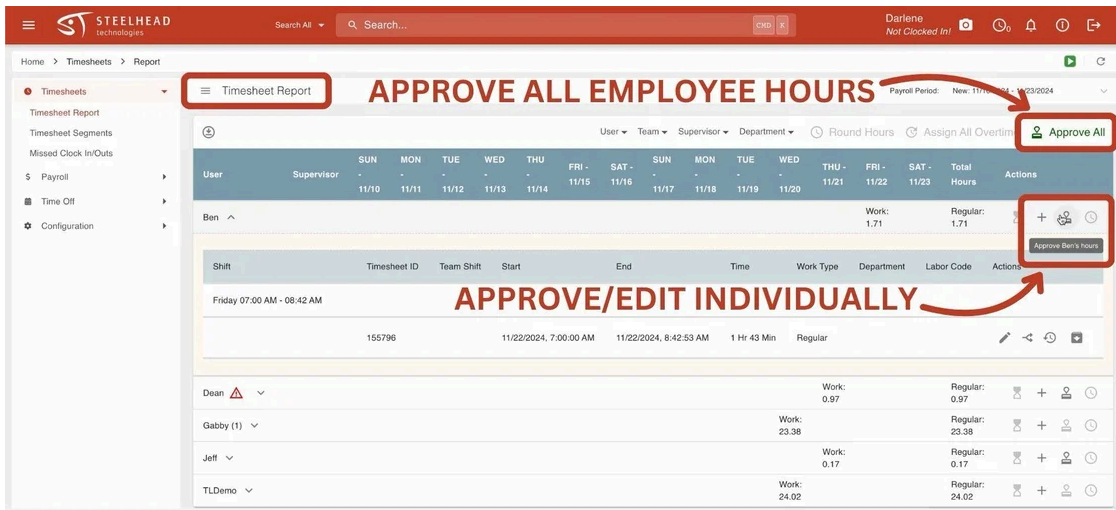

The screenshot shows the Steelhead Payroll interface. The top navigation bar includes the Steelhead logo, a search bar, and user information for Darlene. The main content area is titled 'Payroll' and features a 'Run Payroll' button highlighted with a red box. Below this, there are status indicators: 'Status: Not started' and 'Approval Deadline: 12/12/2024, 7:00:00 PM'. A table titled 'Payroll Run Items' displays the following data:

Employee	Payroll Approval	Pay Rate	New Earnings	Add Additional Earning
Josh Fred	Approved By: Jeff on 11/25/2024, 4:14:17 PM	\$55 per hour	Base Pay: \$1465.03 Bonus: \$200.00 Total: \$1665.03	Bonus: \$200.00

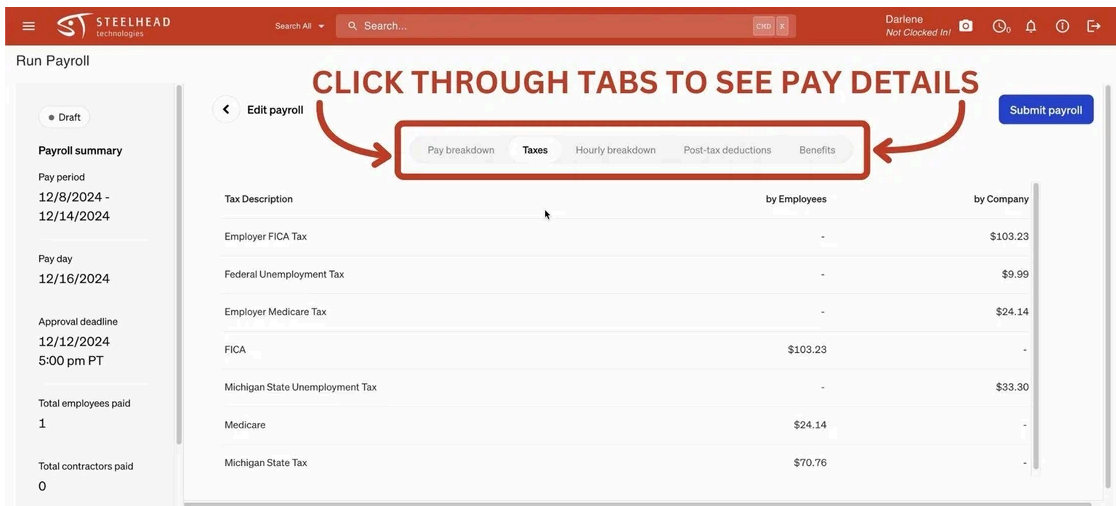

Below the table, there is a section titled 'New Earnings' with the heading 'PAY EMPLOYEES FROM WITHIN STEELHEAD'. This section contains a table with columns for ID, Start, End, Hours, Amount, and Earning Code. The data is as follows:

ID	Start	End	Hours	Amount	Earning Code
155882	11/24/2024, 4:12:32 PM	11/25/2024, 4:13:32 PM	24.02	\$1465.03	Base Pay
	12/8/2024, 12:00:00 AM	12/14/2024, 11:59:59 PM		\$200.00	Bonus

Start by approving employee hours for the pay period. You can approve all employees with the click of one button, or approve and/or edit each employee's hours individually.

After approving employee hours, click the Run Payroll button. You can then preview individual employee pay stubs and look at all the details of that payroll run.

Once you click Submit Payroll, your payroll will be processed and direct deposits will be delivered to employee bank accounts.

You will also be able to offer benefits to your employees through Steelhead Payroll, including:

- 401K
- Health Insurance
- Workers Comp
