New Office

Come See Our Minnesota Office!

Our growing team is excited to find a new place to call "home" just west of Minneapolis. If you are in the area and want to visit, make sure to stop by our Suite at 5600 Pioneer Creek in Maple Plain, MN!

This Week: FABTECH 2023

BOOTH D40242

*Come visit us at FABTECH to access world-class exhibits, hands-on product demos, and more - **mention this newsletter at our booth and ask about our show special!***

FABTECH WEBSITE

Welcome to Steelhead

Lars Halonen, Sales Engineer

We are excited to welcome Lars to our team of powerhouse sales engineers, bringing a wealth of experience in manufacturing account management, sales, and marketing. Welcome to the team, Lars!

Jacob Sieter, Intern

Jacob is a student at Michigan Tech studying Computer Science.

"As a new member of the Steelhead team, I am looking forward to an exciting opportunity to work alongside many experienced professionals and greatly expand my knowledge of programming in a real-world environment."

Careers at Steelhead

Come join our growing team!

We are growing quickly and regularly hire for new positions. If you are interested in playing a critical role in the manufacturing industry, submit an application with your resume today!

APPLY TODAY

Steelhead's leadership team had a wonderful time recruiting new engineers on campus at Michigan Tech's Career Fest last week.
