## Logging in to Open Dental Cloud via Remote Desktop

Open the "Remote Desktop" app by double-clicking the icon:

If you see this screen, click on "Subscribe" then choose your account:

In the "Remote Access" app, double click Open Dental:

S Remote Desktop		- 0	×
	€S Settings	🗄 Tile	. 9
✓ OpenDental			
Open Dental			

A window will pop up that says "Starting your app" and then you may be prompted for your password. Input the same password you use to log in to the PC. Then click "Remember me" and "OK":
