QUALITY & USABILITY IMPROVEMENTS

RIMSCentral

Log In Page

The button to login has been changed from 'Login' to 'Log In'.

A new 'Log In With LightBox' button has been added to the page. This button is for the new User Group called "LightBox Jobs Portal Users". Clicking the button will take the user to the LightBox login page to Sign In to OKTA. The Username and Password is not the same as the RIMSCentral Username and Password. **NOTE: Vendors should continue to login to RIMSCentral using the orange 'Log In' button.**

The image shows a login form for LightBox. At the top is the LightBox logo. Below it is a placeholder for a user profile picture. The text "Sign In" is centered. There are two input fields: "Username" and "Password". Below the password field is a checkbox labeled "Remember me". A blue "Sign In" button is at the bottom. A link "Need help signing in?" is at the very bottom.

What is LightBox Login?

The LightBox login is our first step in creating an exceptional experience for our clients. With LightBox's single sign-on user authentication, you'll enjoy one login for your entire LightBox experience.

While this may not affect you today, our goal is to bring all LightBox solutions under one login. Stay tuned for more information.

Jobs Portal Link

A Jobs Portal link has been added in RIMSCentral for LightBox users. This link is accessible only to RIMSCentral users included in the new User Group called "LightBox Jobs Portal Users". The link will open a new tab redirecting user to the LightBox Jobs Portal page. If they are not logged in via OKTA, they will get the LightBox login page to Sign In to OKTA.

NOTE: The Username and Password on the LightBox login page are not the same as the RIMSCentral Username and Password.
