Reports

All Current Assignments / My Assignments

An Export To XLSX option was added to All Current Assignments and My Assignments reports.

After a category is selected from the main All Current Assignments or My Assignments page, the label for the selected category will display on subsequent page(s).

If there is more than one page of data, the Export To XLS (All) option is available to print data from all pages. If there is only one page of data, only the Export To XLSX (Page) option is available to print the data from the page. User can always select to print one page at a time using the Export To XLSX (Page) option.
