Decimal Places
Two decimal places were enabled for currency and precise fields under Areas and Cost Basis in Costing Indices.

Notices

Blank Notices
Resolved issue where Request Document Upload notice was generating with blank details.

Reports

Ad Hoc Report
Service Details for PJT view added to include 'Is Deposit Collected' and 'Fee Amt Recovered' fields. The view is configured to be associated at the Task ID level.

RFP Recipient

Vendor Qualification Status
With Pre-selected Vendors checked, Qualification Status was not returning vendors from the Vendor Service Area with a vendor status other than Qualified-Active. Fixed filtering to return the selected Qualification Status(es) based on Pre-selected Vendors checked plus other filters for Specialty and Certified Vendors Only.
