- RIMS/ExactBid logo moved to the right-side of the login page.
- Login ID and password entry fields moved to the left-side of the login page.

Desktop Pages

- New RIMS/ExactBid image in the upper-right of desktop pages.
- New ExactBid logo and formatting of footer on desktop pages.
- Watermark added to desktop pages, as appropriate.

Site Address & Tabs

- Image updates to the site address and tabs.

RIMSCentral Site Rebranding

Login Page

- ExactBid now features a refreshed logo design. Look for it in all places the originals once were in RIMSCentral.
- Login ID and password entry fields moved to the left-side of the login page.
- Watermark added to pages, as appropriate.
- Updated Real Estate Professional search section.
- Link and button colors updated to orange.
- Orange line shows above the Assignments tab when selected.

UCDP

UCDP PortalDirect

- Code changes to remain compliant with changes made by third-party service provider.
- New FHA portal submission component.
