

# REPORT WRITER - WEB 1.31.1.1 RELEASE NOTES

The following bug fixes have been included in the 1.31.1.1 release.

## BUG FIXES

### **Report Writer Job Manager**

---

We've corrected an issue where editing the Dates in the job editor or in other pages would adjust the display of the date to the user's time zone.

### **Report Writer General**

---

We've corrected an issue where the FAR calculation was set to 0 when a property was saved on the General page.

### **Report Writer Comm Lease**

---

We've corrected an issue where % Office and % Rent values were rounding upon entry.

### **Report Writer Comm Lease**

---

We've corrected an issue where the Expense Reimbursements fields was missing from the column chooser.

### **Report Writer Property Search**

---

We've corrected an issue where the free-form search criteria dropdowns did not support dates.
