

REPORT WRITER - WEB 1.31.1.2 RELEASE NOTES

The following bug fixes have been included in the 1.31.1.2 release.

BUG FIXES

Report Writer Job Manager

We've corrected an issue where editing the Dates in the job editor or in other pages would adjust the display of the date to the user's time zone.

Report Writer Job Manager

We've corrected an issue where using the "Get Property Data" button in the job editor would sometimes clear the state field.

Report Writer Comm Lease

We've corrected an issue where Effective and Base Rent/Year and Rent/Mo fields would incorrectly round when decimals were provided.

Report Writer Transactions

We've corrected an issue where Transaction instances would not delete.
