

REPORT WRITER - WEB 1.32.0 RELEASE NOTES

The following enhancements and bug fixes have been included in the 1.32.0 release.

ENHANCEMENTS

Report Writer **Inc Exp**

The NOI Per calculations now run when the inc exp page is saved.

Report Writer **Upload Excel**

Upload Excel now supports the Unit type Category field.

Note: See our documentation for how to get the most recent version of upload excel.

BUG FIXES

Report Writer **IncExp**

We've corrected an issue where clicking "Calculate PGI" would prematurely calculate NOI.

Report Writer **IncExp**

We've corrected an issue where Expense per Unit and Expense per SF were not calculating.

Report Writer **IncExp**

We've corrected an issue where inc exp instances could not be deleted.

Report Writer **General**

We've corrected an issue where the active instance of inc exp was not displayed in General the page.

Report Writer **Job Manager**

We've corrected an issue where dates fields would not export to excel as expected after a job search returned results.

Report Writer **Property Search**

We've corrected an issue where deleted tenants would still be returned in the comm lease search.

Report Writer **Autotext**

We've corrected an issue where autotext entries without tags could not be deleted.

Report Writer **Upload Excel**

We've corrected an issue where Memory Care Second Person Fee was validating against a percentage format.
