REPORT WRITER - WEB 1.33.1 RELEASE NOTES

The following enhancements and bug fixes have been included in the 1.33.1 release.

ENHANCEMENTS

Valuation — Job Manager

We've added the Job Fee from the Jobs application to the imported attributes within Report Writer's Job Manager.

Report Writer — Improvements

We've added several new amenity checkboxes to support Self-Storage.

Report Writer — Custom Pages

We've added 'Price Per SF' to the calculation service for custom pages.

BUG FIXES

Report Writer — Property Search

We've corrected an issue where the property type for Laundromat-Self Service, was incorrectly spelled in the Property Search chips.

Report Writer — Custom Pages

We've corrected an issue where GBA was not calculating in custom pages.

Report Writer   **General**

We've corrected an issue where the 'Appraisal File' field was cleared when saving the General page.

Report Writer   **Site**

We've added 'Price Per Buildable SF' to the calculation service for the Site page.

Report Writer   **Comm Lease**

We've corrected an issue where the preferred index for tenants did not import to excel.

Report Writer   **Comm Lease**

We've corrected an issue where deleted tenants still appeared in Print Comp Sheets.

LightBox is working on some great new features to increase your efficiency.

➢ Duplicate Property Resolution
➢ Job Manager Enhancements
➢ Bulk Upload Properties via a Web Interface

INTRODUCING LIGHTBOX VALUATION:

LightBox Valuation is a revolutionary end-to-end workflow solution that helps valuation professionals win more engagements, research property & market data, and write high-quality appraisal reports. This product integrates core elements of many standalone LightBox applications (e.g. LandVision, RIMS Central, Narrative1, PARCEL, etc.) to create a single seamless experience, which is unrivaled in the market.
