BUG FIXES

Valuation Model Expense Grid

We've corrected an issue where the Expense Grid would only display three comps after the initial insertion.

Valuation Model Market Area

We've corrected an issue where the CBSA header in the Valuation Research demographics table was not hard-coded.

Valuation Model Market Area

We've corrected an issue where the new CoStar and ESRI imports would error when the worksheet was protected.

Valuation Model Lease Grid

We've corrected a formula error where Rent/SF was not calculated correctly in the MF Comparison tables.
