

The following enhancements and/or bug fixes have been applied as part of the Report Writer Engine/Template version 46.02.31:

## ENHANCEMENTS

### **Valuation Model      EASI Demographics Label Update**

The Research application will release 2024/2029 demographics data from EASI demographics on 2/27/2025. We've updated the labels for the demographics Research import in preparation.

## BUG FIXES

- We've adjusted the Fannie Mae generator worksheet to replace the ampersand symbol with "and" when it is present in Property Name, Address, a Comp's Property Name or address. XML does not support the ampersand symbol and submissions containing an ampersand will fail Fannie Mae's submission.
