- Scope: Import scope of work from the Job Manager's details
- Income-Expense Summary: Apply a projection percentage for Projections.

INTRODUCING LIGHTBOX VALUATION:

LightBox Valuation is a revolutionary end-to-end workflow solution that helps valuation professionals win more engagements, research property & market data, and write high-quality appraisal reports. This product integrates core elements of many standalone LightBox applications (e.g. LandVision, RIMS Central, Narrative1, PARCEL, etc.) to create a single seamless experience, which is unrivaled in the market.

Contact valuation@lightboxre.com to request a demo of LightBox Valuation.
