

## SmartFabric 2024 Q1 Pre-Release Notes

### Scheduled Release Date: 20240415

This release prioritizes content updates, with a particular focus on expanding parcel coverage. We have significantly broadened our parcel data coverage to include 18 additional counties compared to the previous release. Additionally, the incorporation of parcels within these counties will have a notable impact on the precision of our Address locations, resulting in increased rooftop accuracy for a larger number of addresses.

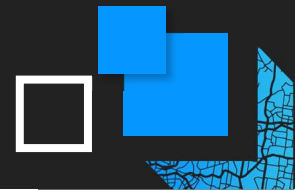

### Data content update:

- Parcels - We refreshed parcel data for 870 counties in this release.
- Assessments - We refreshed assessor data for 782 counties in this release.
- Ownership data – We updated ownership data in assessments for 2531 counties with the latest sales transactions.
- Addresses – We have made statewide improvements to TX and NY addressing. In addition, there are over 30 new address sources from cities in CA, FL, ID, IL, MD, MI, MN, NE, NC, OH, OR, PA and WA.
