

## SmartFabric 2024 Q2 Pre-Release Notes

### Release Version ID: 20240715

This release prioritizes content updates, with a particular focus on completing nationwide parcel coverage. The extensive updates ensure exceptional data currency and coverage across the U.S., while also enhancing attribution accuracy and location precision.

### Data Content Update

- **Parcels** - We refreshed parcel data for 1059 counties in this release, including the expansion to 5 additional counties. This update ensures that our parcel data encompasses all U.S. counties.
- **Assessments** - We refreshed assessor data for 1129 counties in this release.
- **Ownership data** – We updated ownership data in assessments for 2518 counties with the latest sales transactions.
- **Addresses** – We have made statewide local source refreshes to AK, WY, WV, AR, ME, IL, DE, and WA. In addition, there are over 20 County level updates in ND, CA, AZ, FL, OH, PA and CO.

### Improvements
