The following enhancements and/or bug fixes have been included in the release:
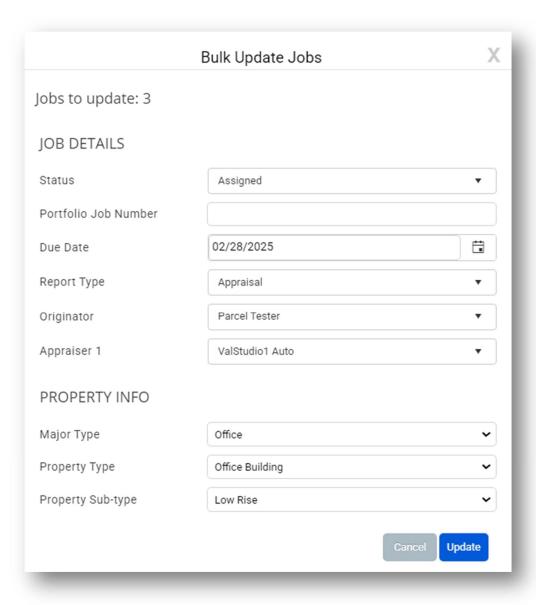

NEW FEATURES AND ENHANCEMENTS

Research   EASI Demographics update

We've updated the 2024 to 2029 Demographics labels and data in accordance with updated projections from EASI demographics.

Report Writer   Bulk Edits to Jobs

Now admin users can select multiple jobs and edit key details like Status or Due Date.

Report Writer   Export All Fields including lease data

Admin users can now Export the entirety of the record's data, including comm and unit leases, from all Search grids.

Report Writer   Duplicate Properties Report

We've added Property Type and Property Sub Type to the duplicate properties report to provide more context.

WHAT'S NEXT?

The LightBox team is working on some great new features.

- Report Writer – Easily mark an instance as active
- Report Writer – Better error reporting for Data Import
