

The following enhancements and/or bug fixes have been included in the release:

### NEW FEATURES AND ENHANCEMENTS

#### Research Re-Open a Project

Need to recapture a map or use the measure tool to collect frontage? Now our support team can re-open a project for you. E-mail [valuationsupport@lightboxre.com](mailto:valuationsupport@lightboxre.com) and our support team will re-open the Research project and toggle the Report Writer property so that new data and images can be re-imported.

#### Report Writer Data Import

Now all users can utilize our new Data Import to bulk import comps from CoStar, MLS and more!
