# VALUATION – DECEMBER 2023 RELEASE NOTES

The following enhancements have been included in the release.

NEW FEATURES AND ENHANCEMENTS

Jobs   Manage my Organization's Job and RFP Sharing

We've created an admin function within the Jobs application that allows the auto-delegating of Jobs and RFPs for all users within an organization. Admins can also run a report to determine current delegations. Contact valuationsupport@lightboxre.com if you are interested in becoming an Admin for your organization.

WHAT'S NEXT?

The LightBox team is working on some great new features.

- Report Writer – Duplicate property resolution
- Report Writer – Job Manager Enhancements
- Research – Show/Hide Section Defaults
