

Switching CenPoint to Run Without Windows Admin Rights*

Please Call CenPoint Support at (801) 478-6822 opt. 4 if you have any questions

Revised on March 26, 2020

Below are the instructions for setting up CenPoint to run without windows admin rights to enable the drag and drop features.

* If you installed Cenpoint from our Website on or after April 1, 2020 the following steps are done automatically as part of the install.

Make sure the CenPoint folder has the needed folder permission to run without admin rights.
 a. Right click on the CenPoint icon and click Run as administrator, then log into CenPoint.

	8
	Open
	Open file location
•	Run as administrator
	Troubleshoot compatibility
	Pin to Start
Ð	Scan with Windows Defender
	Unpin from taskbar
	Restore previous versions
	Send to
	Cut
	Сору
	Create shortcut
	Delete
	Rename
	Properties

b. In CenPoint go to File-> Utilities-> Workstation Utilities-> Click, Set Folder Permissions. If you get an error message double check you are running CenPoint with Administration rights.

7. Delete the original Cenpoint icon, and the Right click on the new CenPointWinNoAdmin icon and Rename it Cenpoint.

Whew! You're done, but it was totally worth it, because now you can drag and drop files right into CenPoint!
